With the mirror
which possesses the
power of the devil,
the magician
wanted to make
the country his.

The young man

made things
miserable for
the magician
and forced him
into submission—

In the past,
in a country
called Arabia—

Began a story
where a beautiful
young man
 stole a mirror
 from a magician.

The descendants of the magician tried to visit the mirror back, but failed repeatedly

And then, for the next 200 years, the young man and his descendants were kings.
